

ENERGY DATA SHEET

as per Regulation (EC) / 2015/1186

Model VUUR-DRIE-60
Manufacturer Austroflamm GmbH
Austroflamm-Platz 1
A-4631 Krenglbach

Energy efficiency class	A+
Direct heat output [kW]	-
Energy efficiency index (EEI)	109
Efficiency at nominal heat output [%]	82.1

Note

Fire protection- and safety distances from flammable building materials must be complied with! Sufficient combustion air must always be capable of flowing into the fireplace. Air extraction systems may disrupt the supply of combustion air!
